| Hersteller Artikelnummer | orb1140084                                                                                                                                         |
| Alternativnummer         | BYT-ORB1140084-100                                                                                                                                 |
| Hersteller               | Biorbyt                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | WB                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                  |
| Immunogen                | The antiserum was produced against synthesized phosphopeptide derived from human IRS-1 around the phosphorylation site of serine 312 (A-T-SP-P-A). |
| Konjugation              | Unconjugated                                                                                                                                       |
| Produktbeschreibung      | Rabbit polyclonal antibody to IRS-1(Phospho-Ser312)...                                                                                             |
| Klonalität               | Polyclonal                                                                                                                                         |
| Konzentration            | 1ug/ul                                                                                                                                             |
| Puffer                   | phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.               |

|                        |                                                                                                                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific phosphopeptide. The antibody against non-phosphopeptide was removed by chromatography using non-phosphopeptide corresponding to the phosphorylation site. |
| Formulierung           | Liquid                                                                                                                                                                                                                                                               |
| Application Verdünnung | WB: 1:500~1:1000                                                                                                                                                                                                                                                     |
| Anwendungsbeschreibung | Modification: Phosphorylated. Application Notes: WB: 1:500~1:1000                                                                                                                                                                                                    |
