## Product Datasheet

### Filaggrin antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB101353-IH

|                          |                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Filaggrin antibody, Unconjugated, Rabbit, Polyclonal                                                                                                         |
| Artikelnummer            | BYT-ORB101353-IH                                                                                                                                             |
| Hersteller Artikelnummer | orb101353                                                                                                                                                    |
| Alternativnummer         | BYT-ORB101353-100                                                                                                                                            |
| Hersteller               | Biorbyt                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                            |
| Immunogen                | KLH conjugated synthetic peptide derived from human Filaggrin.<br>Please contact us for the exact immunogen sequence. The peptide is available as orb374800. |
| Konjugation              | Unconjugated                                                                                                                                                 |
| Produktbeschreibung      | Filaggrin antibody...                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                   |
| Konzentration            | - 100 µg (in 200 µl): 0.5 mg/ml- 200 µg (in 400 µl): 0.5 mg/ml                                                                                               |
| Molekulargewicht         | ~34 kDa                                                                                                                                                      |
| NCBI                     | <a href="#">11</a>                                                                                                                                           |

|                        |                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------|
| Pubmed                 | <a href="https://pubmed.ncbi.nlm.nih.gov/40890344" rel="nofollow" target="_blank">40890344</a> |
| UniProt                | <a href="#">P11088</a>                                                                         |
| Reinheit               | Polyclonal antibodies are purified by peptide affinity chromatography                          |
| Formulierung           | 10 mM PBS, 0.02% sodium azide                                                                  |
| Target-Kategorie       | Filaggrin                                                                                      |
| Application Verdünnung | IHC-P: 1:100-500 (based on 0.5 mg/ml), WB: 1:100-300                                           |
