## Product Datasheet

### **CEBP beta Recombinant Antibody, APC-Cy7 Conjugated, APC/Cy7, Rabbit BSS-BSM-61530R-APC-CY7-TRIAL**

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CEBP beta Recombinant Antibody, APC-Cy7 Conjugated, APC/Cy7, Rabbit                                                 |
| Artikelnummer            | BSS-BSM-61530R-APC-CY7-TRIAL                                                                                        |
| Hersteller Artikelnummer | bsm-61530R-APC-Cy7                                                                                                  |
| Alternativnummer         | BSS-BSM-61530R-APC-CY7-20                                                                                           |
| Hersteller               | Bioss                                                                                                               |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | FC, IF, WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                               |
| Konjugation              | APC/Cy7                                                                                                             |
| Produktbeschreibung      | Important transcription factor regulating the expression of genes involved in immune and inflammatory responses.... |
| Klonalität               | Recombinant                                                                                                         |
| Konzentration            | Lot dependent                                                                                                       |
| NCBI                     | <a href="#">1051</a>                                                                                                |
| UniProt                  | <a href="#">P17676</a>                                                                                              |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.              |

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human CEBP beta      |
| Reinheit               | Purified by Protein A.                                             |
| Target-Kategorie       | CEBP beta                                                          |
| Antibody Type          | Primary Antibody                                                   |
| Application Verdünnung | WB(WB(1:500-2000)), FCM(FCM(1:50-100)), IF(ICC)(IF(ICC)(1:50-200)) |
