## Product Datasheet

### Ebola virus NP antibody [GT390], IgG1, Unconjugated, Mouse, Monoclonal GTX647231

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Artikelname              | Ebola virus NP antibody [GT390], IgG1, Unconjugated, Mouse, Monoclonal   |
| Artikelnummer            | GTX647231                                                                |
| Hersteller Artikelnummer | GTX647231                                                                |
| Alternativnummer         | GTX647231-25, GTX647231-100                                              |
| Hersteller               | GeneTex                                                                  |
| Wirt                     | Mouse                                                                    |
| Kategorie                | Antikörper                                                               |
| Applikation              | WB                                                                       |
| Spezies Reaktivität      | Virus                                                                    |
| Immunogen                | Reombinant fragment of Ebola virus NP.(strain Mayinga-76)                |
| Konjugation              | Unconjugated                                                             |
| Klonalität               | Monoclonal                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Klon-Bezeichnung         | [GT390]                                                                  |
| Isotyp                   | IgG1                                                                     |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Tag                    | Carrier-Free, Orthogonal, Recombinant antibody                                                                                  |
| Puffer                 | PBS, 10% Treholose, no preservatives.                                                                                           |
| Reinheit               | Affinity purified by Protein A.                                                                                                 |
| Formulierung           | Liquid                                                                                                                          |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
