| Immunogen                | NALM-6 human pre-B cell line                                                                                                                                                                                                                                 |
| Konjugation              | Biotin                                                                                                                                                                                                                                                       |
| Produktbeschreibung      | CD58 (LFA-3) is an immunoglobulin family adhesion molecule expressed by both hematopoietic and non-hematopoietic cells (often on antigen presenting cells) and serving as ligand of CD2. This interaction is important for T cell-mediated immunity. CD58... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                   |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [MEM-63]                                                                                                                                                                                                                                                     |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                         |
| Puffer                   | Tris buffered saline (TBS), pH 8.0, 15 mM sodium azide                                                                                                                                                                                                       |

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Lagerung               | 2°C to 8°C                                        |
| Antibody Type          | Monoclonal Antibody                               |
| Anwendungsbeschreibung | Flow cytometry: Recommended dilution: 2-12 µg/ml. |
