

Product Datasheet

Trident plus Western HRP Substrate GTX-GTX400006

Artikelname	Trident plus Western HRP Substrate
Artikelnummer	GTX-GTX400006
Hersteller Artikelnummer	GTX400006
Alternativnummer	GTX400006-500
Hersteller	Genetex
Kategorie	Biochemikalien
Applikation	WB
Lagerung	2°C to 8°C
Anwendungsbeschreibung	500 ml mixture for 24000 square centimetre membrane Recommended primary antibody dilution rage: 1:1000~1:10,000 Recommended secondary antibody dilution rage: 1:5,000~1: 20,000
