| Article Name               | Boc-beta-HoGlu(OBzl)-OH, CAS [[218943-30-7]]                                  |
| Biozol Catalog Number      | MCE-HY-W013048                                                                |
| Supplier Catalog Number    | HY-W013048                                                                    |
| Alternative Catalog Number | MCE-HY-W013048-100MG,MCE-HY-W013048-5G,MCE-HY-W013048-1G,MCE-HY-W013048-250MG |
| Manufacturer               | MedchemExpress                                                                |
| Category                   | Proteine/Peptide                                                              |
| Product Description        | Boc-beta-HoGlu(OBzl)-OH is a glutamic acid derivative[1]....                  |
| Molecular Weight           | 351.39                                                                        |
| CAS Number                 | [218943-30-7]                                                                 |
| Formula                    | C18H25NO6                                                                     |
| Target                     | Amino Acid Derivatives                                                        |
| Application Notes          | Peptides                                                                      |
