| Article Name               | Anti-Covid-19 & SARS-CoV Nucleocapsid [1C7C7], Human IgG4-S228P, kappa, Monoclonal |
| Biozol Catalog Number      | ABA-AB02325-13.12                                                                  |
| Supplier Catalog Number    | Ab02325-13.12                                                                      |
| Alternative Catalog Number | ABA-AB02325-13.12                                                                  |
| Manufacturer               | Absolute Antibody                                                                  |
| Host                       | Human                                                                              |
| Category                   | Antikörper                                                                         |
| Application                | ELISA, FC, IHC, WB                                                                 |
| Species Reactivity         | Virus                                                                              |
| Product Description        | The original version of this antibody was raised against SARS-CoV-1/2....          |
| Clonality                  | Monoclonal                                                                         |
| Clone Designation          | [1C7C7]                                                                            |
| Isotype                    | IgG4-S228P                                                                         |
| UniProt                    | <a href="#">P0DTC9</a>                                                             |
| Buffer                     | PBS with 0.02% Proclin 300.                                                        |
| Source                     | Mouse                                                                              |

|        |                                  |
|--------|----------------------------------|
| Target | Covid-19 & SARS-CoV Nucleocapsid |
