## Product Datasheet

### Anti-Covid-19 & SARS-CoV Nucleocapsid [1C7C7], Ferret IgM,, Monoclonal ABA-AB02325-49.0-BT

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Anti-Covid-19 & SARS-CoV Nucleocapsid [1C7C7], Ferret IgM,, Monoclonal    |
| Biozol Catalog Number      | ABA-AB02325-49.0-BT                                                       |
| Supplier Catalog Number    | Ab02325-49.0-BT                                                           |
| Alternative Catalog Number | ABA-AB02325-49.0-BT                                                       |
| Manufacturer               | Absolute Antibody                                                         |
| Host                       | Ferret                                                                    |
| Category                   | Antikörper                                                                |
| Application                | ELISA, FC, IHC, WB                                                        |
| Species Reactivity         | Virus                                                                     |
| Product Description        | The original version of this antibody was raised against SARS-CoV-1/2.... |
| Clonality                  | Monoclonal                                                                |
| Clone Designation          | [1C7C7]                                                                   |
| Isotype                    | IgM                                                                       |
| UniProt                    | <a href="#">P0DTC9</a>                                                    |
| Buffer                     | PBS only.                                                                 |
| Source                     | Mouse                                                                     |
| Target                     | Covid-19 & SARS-CoV Nucleocapsid                                          |
