### Rabbit anti Human DNA Topoisomerase 1 NMB-X2732P

|                            |   |
|----------------------------|---|
| Article Name               | Rabbit anti Human DNA Topoisomerase 1   |
| Biozol Catalog Number      | NMB-X2732P  |
| Supplier Catalog Number    | X2732P  |
| Alternative Catalog Number | NMB-X2732P  |
| Manufacturer               | NordicMubio   |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | IHC-P   |
| Species Reactivity         | Human   |
| Immunogen                  | Synthetic peptide made to human DNA Topoisomerase 1   |
| Product Description        | DNA Topoisomerase 1 releases the supercoiling and torsional tension of DNA introduced during DNA replication and transcription by transiently cleaving and rejoining one strand of the DNA duplex. It introduces a single-strand break via transesterifica... |
| Concentration              | See vial for concentration  |
| Isotype                    | Ig  |
| UniProt                    | <a href="#">P11387</a>  |
| Buffer                     | Provided as solution in phosphate buffered saline with 0.08% sodium azide   |
| Purity                     | Antigen Immunoaffinity Purification   |

|                   |  |
|-------------------|--|
| Form              | Affinity Purified  |
| Formula           | Provided as solution in phosphate buffered saline with 0.08% sodium azide  |
| Application Notes | Antibody can be used for immunohistochemistry at 5-10 µg/ml on paraffin-embedded tissues. Optimal concentration should be evaluated by serial dilutions. |
