### Rabbit anti Human Lysophosphatidic Acid Acetyltransferase beta, Unconjugated NMB-X1652P

|                            |   |
|----------------------------|---|
| Article Name               | Rabbit anti Human Lysophosphatidic Acid Acetyltransferase beta, Unconjugated  |
| Biozol Catalog Number      | NMB-X1652P  |
| Supplier Catalog Number    | X1652P  |
| Alternative Catalog Number | NMB-X1652P  |
| Manufacturer               | NordicMubio   |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | EIA, WB   |
| Species Reactivity         | Human   |
| Immunogen                  | Synthetic peptide derived from the LPAAT- protein   |
| Conjugation                | Unconjugated  |
| Product Description        | Lysophospholipid acyltransferases (LPLATs) catalyse the addition of fatty acyl moieties to the glycerol backbone of lysophospholipids . In addition to playing a crucial role in the synthesis of structural membrane components the LPLATs are also impli... |
| Concentration              | See vial for concentration  |
| Isotype                    | IgG   |
| UniProt                    | <a href="#">O15120</a>  |

|                   |  |
|-------------------|--|
| Buffer            | Provided as solution in phosphate buffered saline with 0.08% sodium azide  |
| Purity            | Antigen Immunoaffinity Purification  |
| Form              | Unconjugated   |
| Formula           | Provided as solution in phosphate buffered saline with 0.08% sodium azide  |
| Application Notes | Antibody can be used for Western blotting (5-10 µg/ml) and EIA. Optimal concentration should be evaluated by serial dilutions. |
