Rabbit anti Rat Calcium Channel NMB-X2391P

| | |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name | Rabbit anti Rat Calcium Channel |
| Biozol Catalog Number | NMB-X2391P |
| Supplier Catalog Number | X2391P |
| Alternative Catalog Number | NMB-X2391P |
| Manufacturer | NordicMubio |
| Host | Rabbit |
| Category | Antikörper |
| Application | IHC, WB |
| Species Reactivity | Human, Rat |
| Immunogen | Synthetic peptide derived from the rat 1A calcium channel conjugated to KLH |
| Product Description | Voltage-sensitive calcium channels (VGCCs) mediate the entry of calcium ions into excitable cells and are also involved in a variety of calcium-dependent processes, including muscle contraction, hormone or neurotransmitter release, gene expression, c... |
| Concentration | Lot specific, see vial |
| Isotype | IgG |
| UniProt | P54282 |
| Buffer | Provided as solution in phosphate buffered saline with 0.08% sodium azide |

| | |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Purity | Antigen Immunoaffinity Purification |
| Form | Affinity Purified |
| Formula | Provided as solution in phosphate buffered saline with 0.08% sodium azide |
| Application Notes | Antibody can be used for Western blotting (1:400 starting dilution). Optimal concentration should be evaluated by serial dilutions. |
