## Product Datasheet

### Chicken anti Staphylococcal Protein A, conjugated with FITC, Fluorescein, Gallus NMB-APA-F

|                            |  |
|----------------------------|--|
| Article Name               | Chicken anti Staphylococcal Protein A, conjugated with FITC, Fluorescein, Gallus   |
| Biozol Catalog Number      | NMB-APA-F  |
| Supplier Catalog Number    | APA-F  |
| Alternative Catalog Number | NMB-APA-F  |
| Manufacturer               | NordicMubio  |
| Host                       | Gallus   |
| Category                   | Antikörper   |
| Application                | IHC  |
| Conjugation                | Fluorescein  |
| Product Description        | Chicken anti Staphylococcal Protein A, conjugated with FITC, Gallus 0,5 mg...  |
| Concentration              | See vial for concentration.  |
| Buffer                     | Phosphate Buffered Saline, 50% Glycerol with 0.075% sodium azide   |
| Source                     | Chickens were immunized with purified recombinant protein A. After multiple immunizations in Freund's adjuvant, eggs were collected and the IgY fraction purified. Antibodies were immunoaffinity-purified from a protein A agarose column and conjugated to flu |
| Purity                     | Egg-yolk derived IgY Affinity Purified   |
| Form                       | Fluorescein conjugated   |

|                   |  |
|-------------------|--|
| Formula           | Phosphate Buffered Saline, 50% Glycerol with 0.075% sodium azide   |
| Application Notes | Fluorescein/Protein ratio = 3 - 6, This antibody is suitable for immunohistochemistry applications. Optimal working dilutions should be determined for your particular assay conditions. |
