## Product Datasheet

### **POU2AF1 Antibody, Unconjugated, Rabbit, Polyclonal AFB-DF7859**

|                            |                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | POU2AF1 Antibody, Unconjugated, Rabbit, Polyclonal                                                                           |
| Biozol Catalog Number      | AFB-DF7859                                                                                                                   |
| Supplier Catalog Number    | DF7859                                                                                                                       |
| Alternative Catalog Number | AFB-DF7859-100,AFB-DF7859-200                                                                                                |
| Manufacturer               | Affinity Biosciences                                                                                                         |
| Host                       | Rabbit                                                                                                                       |
| Category                   | Antikörper                                                                                                                   |
| Application                | ICC, IF, WB                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                            |
| Immunogen                  | A synthesized peptide derived from human POU2AF1, corresponding to a region within C-terminal amino acids.                   |
| Conjugation                | Unconjugated                                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                   |
| Purity                     | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific). |
| Form                       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                           |
| Antibody Type              | Primary Antibody                                                                                                             |
| Application Dilute         | WB 1:1000-3000, IF/ICC 1:100-1:500                                                                                           |
