### RAT ANTI MOUSE CD49b:FITC LIN-MAK2125F

|                            |                                                  |
|----------------------------|--------------------------------------------------|
| Article Name               | RAT ANTI MOUSE CD49b:FITC                        |
| Biozol Catalog Number      | LIN-MAK2125F                                     |
| Supplier Catalog Number    | LIN-MAK2125F                                     |
| Alternative Catalog Number | LIN-MAK2125F                                     |
| Manufacturer               | Linaris                                          |
| Host                       | Rat                                              |
| Category                   | Antikörper                                       |
| Application                | FC                                               |
| Species Reactivity         | Mouse                                            |
| Immunogen                  | RIL-2 propagated NK1.1+ cells from C57BL/6 mice. |
| Conjugation                | FITC                                             |
| Clonality                  | Monoclonal                                       |
| Concentration              | IgM concentration 0.1 mg/ml                      |
| Clone Designation          | [DX5]                                            |
| Isotype                    | IgM                                              |
| Buffer                     | Phosphate buffered saline                        |
