| Article Name               | Donkey IgG anti-Sheep IgG (H+L)-Biotin, MinX Ck,Gp,Hm,Ho,Hu,Ms,Rb,Rt, Polyclonal |
| Biozol Catalog Number      | ROC-613-706-168                                                                  |
| Supplier Catalog Number    | 613-706-168                                                                      |
| Alternative Catalog Number | ROC-613-706-168                                                                  |
| Manufacturer               | Rockland Immunochemicals                                                         |
| Host                       | Donkey                                                                           |
| Category                   | Antikörper                                                                       |
| Application                | ELISA,IHC,WB                                                                     |
| Species Reactivity         | Sheep                                                                            |
| Immunogen                  | Sheep IgG whole molecule                                                         |
| Conjugation                | Biotin                                                                           |
| Format                     | IgG                                                                              |
| Target Specificity         | IgG (H+L)                                                                        |
| Cross-Adsorption (MinX)    | Gallus,Guinea pig,Hamster (all),Equine,Human,Mouse,Rabbit,Rat                    |
| Clonality                  | Polyclonal                                                                       |
| Concentration              | 1.0 mg/mL by UV absorbance at 280 nm                                             |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                       |

|                    |                                                                                                                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Lyophilized                                                                                                                                                                                                                                                |
| Target             | Sheep                                                                                                                                                                                                                                                      |
| Antibody Type      | Secondary Antibody                                                                                                                                                                                                                                         |
| Application Dilute | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000                                                                                                                                                                                |
| Application Notes  | This product has been assayed against 1.0 ug of Sheep IgG in a standard capture ELISA using Peroxidase Conjugated Streptavidin S000-03 and ABTS (2,2-azino-bis-[3-ethylbenthiazoline-6-sulfonic acid]) code ABTS-100 as a substrate for 30 minutes at room |
