## Product Datasheet

### Goat IgG anti-Donkey IgG (H+L)-FITC, MinX none ROC-616-1202

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Goat IgG anti-Donkey IgG (H+L)-FITC, MinX none             |
| Biozol Catalog Number      | ROC-616-1202                                               |
| Supplier Catalog Number    | 616-1202                                                   |
| Alternative Catalog Number | ROC-616-1202                                               |
| Manufacturer               | Rockland Immunochemicals                                   |
| Host                       | Goat                                                       |
| Category                   | Antikörper                                                 |
| Application                | FLISA,FACS,IF                                              |
| Species Reactivity         | Donkey                                                     |
| Immunogen                  | Donkey IgG whole molecule                                  |
| Conjugation                | FITC                                                       |
| Format                     | IgG                                                        |
| Target Specificity         | IgG (H+L)                                                  |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                        |
| Clonality                  | Polyclonal                                                 |
| Concentration              | 2.0 mg/mL by UV absorbance at 280 nm                       |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                                |

|                    |                                                                                                                                                                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Donkey                                                                                                                                                                                                                                                         |
| Antibody Type      | Secondary Antibody                                                                                                                                                                                                                                             |
| Application Dilute | FLISA: 1:10,000 - 1:50,000, Flow Cytometry: 1:500 - 1:2,500, IF Microscopy: 1:1,000 - 1:5,000                                                                                                                                                                  |
| Application Notes  | This product is designed for immunofluorescence microscopy, fluorescence based plate assays (FLISA) and fluorescent western blotting. This product is also suitable for multiplex analysis, including multicolor imaging, utilizing various commercial platfor |
