## Product Datasheet

**CASP1 / Caspase 1 Antibody (aa135-152) LS-C312601, Unconjugated,  
Rabbit, Polyclonal  
LS-C312601-100**

|                            |                                                                                                                        |

| Article Name               | CASP1 / Caspase 1 Antibody (aa135-152) LS-C312601, Unconjugated, Rabbit, Polyclonal                                    |
| Biozol Catalog Number      | LS-C312601-100                                                                                                         |
| Supplier Catalog Number    | LS-C312601-100                                                                                                         |
| Alternative Catalog Number | LS-C312601-100                                                                                                         |
| Manufacturer               | LifeSpan Biosciences                                                                                                   |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Species Reactivity         | Human                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-Terminus of human CASP1(135-152 aa CSLEEAQRIWKQKSAEIY).       |
| Conjugation                | Unconjugated                                                                                                           |
| Clonality                  | Polyclonal                                                                                                             |
| Concentration              | 0.5 mg/ml                                                                                                              |
| NCBI                       | <a href="#">834</a>                                                                                                    |
| Purity                     | Immunogen affinity purified                                                                                            |
| Form                       | Lyophilized from 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 5mg BSA, 0.9mg NaCl, 0.05mg Thimerosal, 0.05mg sodium azide. |
| Application Notes          | IHC, IHC-P, WB                                                                                                         |
