| Alternative Catalog Number | LS-C313284-100                                                                                                                   |
| Manufacturer               | LifeSpan Biosciences                                                                                                             |
| Host                       | Rabbit                                                                                                                           |
| Category                   | Antikörper                                                                                                                       |
| Application                | ICC, IHC, IHC-P, WB                                                                                                              |
| Species Reactivity         | Human                                                                                                                            |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-Terminus of human CCR3(1-20 aa MTTSLDTVETFGTTSYYDDV).                   |
| Conjugation                | Unconjugated                                                                                                                     |
| Product Description        | CCR3 antibody LS-C313284 is an unconjugated rabbit polyclonal antibody to human CCR3 (aa1-20). Validated for ICC, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                       |
| Concentration              | 0.5 mg/ml                                                                                                                        |
| NCBI                       | <a href="#">1232</a>                                                                                                             |
| Buffer                     | Lyophilized from 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 5mg BSA, 0.9mg NaCl, 0.05mg Thimerosal, 0.05mg sodium azide.           |

|                    |                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------|
| Purity             | Immunogen affinity purified                                                                  |
| Form               | Lyophilized from 0.2mg Na2HPO4, 5mg BSA, 0.9mg NaCl, 0.05mg Thimerosal, 0.05mg sodium azide. |
| Application Dilute | ICC, IHC, IHC-P, WB                                                                          |
| Application Notes  | ICC, IHC, IHC-P, WB                                                                          |
