| Species Reactivity         | Human                                                                                                                         |
| Immunogen                  | Recombinant human T-cell receptor beta-1 chain C region protein (aa1-177).                                                    |
| Conjugation                | Biotin                                                                                                                        |
| Product Description        | TRBC1 antibody LS-C370482 is a biotin-conjugated rabbit polyclonal antibody to human TRBC1 (aa1-177). Validated for ELISA.... |
| Clonality                  | Polyclonal                                                                                                                    |
| NCBI                       | <a href="#">28639</a>                                                                                                         |
| Buffer                     | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                 |
| Purity                     | Caprylic acid and ammonium sulfate precipitation                                                                              |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| Form               | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                         |
| Application Dilute | ELISA                                                                                                                 |
| Application Notes  | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
