| Host                       | Rabbit                                                                                                        |
| Category                   | Antikörper                                                                                                    |
| Application                | ICC, IP, WB                                                                                                   |
| Species Reactivity         | Sheep                                                                                                         |
| Immunogen                  | Purified IgG                                                                                                  |
| Conjugation                | Unconjugated                                                                                                  |
| Product Description        | Sheep IgG antibody LS-C373981 is an unconjugated rabbit polyclonal antibody. Validated for ICC, IP and WB.... |
| Clonality                  | Polyclonal                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                     |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                 |
| Purity                     | Affinity purified                                                                                             |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol |
| Application Dilute | ICC, IP, WB (1:50 - 1:400)                    |
| Application Notes  | ICC, IP, WB (1:50 - 1:400)                    |
