| Species Reactivity         | Rat                                                                                                                          |
| Immunogen                  | Recombinant KEL (Ser439-Trp713)                                                                                              |
| Conjugation                | Unconjugated                                                                                                                 |
| Product Description        | CD238 antibody LS-C374198 is an unconjugated rabbit polyclonal antibody to rat CD238 (KEL) (aa439-713). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                   |
| Concentration              | 0.5 mg/ml                                                                                                                    |
| NCBI                       | <a href="#">3792</a>                                                                                                         |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB (1:50 - 1:400)                                                                      |
| Application Notes  | ELISA 1:100-1:5000, ICC 1:50-500, WB 1:50-400,                                         |
