| Manufacturer               | LifeSpan Biosciences                                                                                                                   |
| Host                       | Rabbit                                                                                                                                 |
| Category                   | Antikörper                                                                                                                             |
| Application                | ELISA                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                  |
| Immunogen                  | Recombinant human Lysine-specific demethylase 8 protein.                                                                               |
| Conjugation                | HRP                                                                                                                                    |
| Product Description        | FLJ13798 antibody LS-C378487 is an HRP-conjugated rabbit polyclonal antibody to human FLJ13798 (KDM8 / JMJD5). Validated for ELISA.... |
| Clonality                  | Polyclonal                                                                                                                             |
| NCBI                       | <a href="#">79831</a>                                                                                                                  |
| Buffer                     | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                          |
| Purity                     | Protein G purified                                                                                                                     |

|                    |                                                                                                                                                                                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                                                                                                                                    |
| Application Dilute | ELISA                                                                                                                                                                                                                                            |
| Application Notes  | The applications listed above are for the unconjugated form of this antibody. The conjugated antibody has not been tested. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
