| Species Reactivity         | Human, Mouse                                                                                                                                                                                  |
| Immunogen                  | Synthesized peptide derived from human GPR75                                                                                                                                                  |
| Conjugation                | Unconjugated                                                                                                                                                                                  |
| Product Description        | GPR75 antibody LS-C383827 is an unconjugated rabbit polyclonal antibody to GPR75 (350-430 aa, C-terminal) from human. It is reactive with human and mouse. Validated for ELISA, IF and WB.... |
| Clonality                  | Polyclonal                                                                                                                                                                                    |
| NCBI                       | <a href="#">10936</a>                                                                                                                                                                         |
| Buffer                     | PBS, 0.02% Sodium Azide, 50% Glycerol, 0.5% BSA                                                                                                                                               |
| Purity                     | Immunoaffinity purified                                                                                                                                                                       |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Form               | PBS, 0.02% Sodium Azide, 50% Glycerol, 0.5% BSA          |
| Application Dilute | ELISA (1:5000), IF (1:200 - 1:1000), WB (1:500 - 1:2000) |
| Application Notes  | ELISA (1:5000), IF (1:200 - 1:1000), WB (1:500 - 1:2000) |
