| Product Description        | CoCoA antibody LS-C409531 is an unconjugated rabbit polyclonal antibody to CoCoA (CALCOCO1) from human. It is reactive with human and mouse. Validated for IF, IHC and WB....                                                                                             |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                                |
| NCBI                       | <a href="#">57658</a>                                                                                                                                                                                                                                                     |

|                    |                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------|
| Buffer             | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Purity             | Affinity purified                                                                       |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Application Dilute | IF (1:50 - 1:100), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                              |
| Application Notes  | The predicted MW is 67kDa/70kDa/77kDa, while the observed MW by Western blot was 77kDa. |
