| Manufacturer               | LifeSpan Biosciences                                                                                                            |
| Host                       | Rabbit                                                                                                                          |
| Category                   | Antikörper                                                                                                                      |
| Species Reactivity         | Human, Primate                                                                                                                  |
| Immunogen                  | A synthetic peptide made to an N-Terminus portion of the human Cytokeratin 19 protein (between residues 1-50) [UniProt P08727]. |
| Conjugation                | Unconjugated                                                                                                                    |
| Clonality                  | Polyclonal                                                                                                                      |
| Concentration              | 1.16 mg/ml                                                                                                                      |
| NCBI                       | <a href="#">3880</a>                                                                                                            |
| Purity                     | Affinity purified                                                                                                               |
| Form                       | PBS, 0.05% Sodium Azide, 30% Glycerol                                                                                           |
| Application Notes          | ICC (1:75), IHC, IHC-P (5 µg/ml), WB (2 µg/ml)                                                                                  |
