| Category                   | Antikörper                                                                                                                                                              |
| Application                | ELISA, FC, ICC, IF, WB                                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                                                   |
| Conjugation                | Unconjugated                                                                                                                                                            |
| Product Description        | Thymidylate Synthase antibody LS-C113044 is an unconjugated mouse monoclonal antibody to human Thymidylate Synthase (TS). Validated for ELISA, Flow, ICC, IF and WB.... |
| Clonality                  | Monoclonal                                                                                                                                                              |
| Concentration              | 1 mg/ml                                                                                                                                                                 |
| NCBI                       | <a href="#">7298</a>                                                                                                                                                    |
| Purity                     | Protein G purified                                                                                                                                                      |
| Application Dilute         | ELISA, Flo, ICC, IF, WB                                                                                                                                                 |
