| Alternative Catalog Number | LS-C114303-100                                                                                                             |
| Manufacturer               | LifeSpan Biosciences                                                                                                       |
| Host                       | Mouse                                                                                                                      |
| Category                   | Antikörper                                                                                                                 |
| Application                | IHC, IHC-P, WB                                                                                                             |
| Immunogen                  | Recombinant fragment expressed in E. coli corresponding to amino acids 2-104 of human Stat5a                               |
| Conjugation                | Unconjugated                                                                                                               |
| Product Description        | STAT5A antibody LS-C114303 is an unconjugated mouse monoclonal antibody to STAT5A from human. Validated for IHC and WB.... |
| Clonality                  | Monoclonal                                                                                                                 |
| Concentration              | 1 mg/ml                                                                                                                    |
| Clone Designation          | [OTI4H1]                                                                                                                   |
| Isotype                    | IgG2b                                                                                                                      |
| NCBI                       | <a href="#">6776</a>                                                                                                       |

|                    |                                                       |
|--------------------|-------------------------------------------------------|
| Buffer             | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA |
| Purity             | Affinity purified                                     |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA |
| Application Dilute | IHC, IHC-P (1:50), WB (1:500)                         |
| Application Notes  | IHC, IHC-P (1:50), WB (1:500)                         |
