| Article Name               | F13A1 / Factor XIIIa Antibody (aa20-69) LS-C121065, Unconjugated, Rabbit, Polyclonal                      |
| Biozol Catalog Number      | LS-C121065-50                                                                                             |
| Supplier Catalog Number    | LS-C121065-50                                                                                             |
| Alternative Catalog Number | LS-C121065-50                                                                                             |
| Manufacturer               | LifeSpan Biosciences                                                                                      |
| Host                       | Rabbit                                                                                                    |
| Category                   | Antikörper                                                                                                |
| Species Reactivity         | Human                                                                                                     |
| Immunogen                  | Synthetic peptide from human FA13A. (AA Range: 20-69)                                                     |
| Conjugation                | Unconjugated                                                                                              |
| Clonality                  | Polyclonal                                                                                                |
| Concentration              | 1 mg/ml                                                                                                   |
| NCBI                       | <a href="#">2162</a>                                                                                      |
| Purity                     | Immunoaffinity purified                                                                                   |
| Form                       | PBS (without Mg <sup>2+</sup> , Ca <sup>2+</sup> ), pH 7.4, 150 mM NaCl, 0.02% Sodium Azide, 50% Glycerol |
| Application Notes          | Peptide-ELISA (1:20000), WB (1:500 - 1:1000)                                                              |
