| Alternative Catalog Number | LS-C153699-0.1                                                                                                         |
| Manufacturer               | LifeSpan Biosciences                                                                                                   |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                      |
| Immunogen                  | A 16 AA synthetic peptide near the N-Terminus of human NIBRIN.<br>The immunogen is located within aa 50-100 of NIBRIN. |
| Conjugation                | Unconjugated                                                                                                           |
| Clonality                  | Polyclonal                                                                                                             |
| Concentration              | 1 mg/ml                                                                                                                |
| NCBI                       | <a href="#">4683</a>                                                                                                   |
| Purity                     | Peptide Column Affinity Chromatography                                                                                 |
| Form                       | PBS containing 0.02% Sodium Azide                                                                                      |
| Application Notes          | ELISA, IF, IHC, WB (1 - 2 µg/ml)                                                                                       |
