| Alternative Catalog Number | LS-C174706-100                                                                                                          |
| Manufacturer               | LifeSpan Biosciences                                                                                                    |
| Host                       | Mouse                                                                                                                   |
| Category                   | Antikörper                                                                                                              |
| Application                | IF, IHC, IHC-P, WB                                                                                                      |
| Species Reactivity         | Human                                                                                                                   |
| Immunogen                  | Full length human recombinant protein of human ENg(NP_000109) produced in HEK293T cell.                                 |
| Conjugation                | Unconjugated                                                                                                            |
| Product Description        | CD105 antibody LS-C174706 is an unconjugated mouse monoclonal antibody to human CD105. Validated for IF, IHC and WB.... |
| Clonality                  | Monoclonal                                                                                                              |
| Concentration              | 1 mg/ml                                                                                                                 |
| Clone Designation          | [OTI3H5]                                                                                                                |
| Isotype                    | IgG1                                                                                                                    |

|                    |                                                       |

| NCBI               | <a href="#">2022</a>                                  |
| Buffer             | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA |
| Purity             | Protein A/G purified                                  |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA |
| Application Dilute | IF (1:100), IHC, IHC-P (1:150), WB (1:1000)           |
| Application Notes  | IF (1:100), IHC, IHC-P (1:150), WB (1:1000)           |
