## Product Datasheet

### **ENO2 / NSE Antibody (Arg400) LS-C176147, Unconjugated, Rabbit, Polyclonal LS-C176147-100**

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ENO2 / NSE Antibody (Arg400) LS-C176147, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | LS-C176147-100                                                            |
| Supplier Catalog Number    | LS-C176147-100                                                            |
| Alternative Catalog Number | LS-C176147-100                                                            |
| Manufacturer               | LifeSpan Biosciences                                                      |
| Host                       | Rabbit                                                                    |
| Category                   | Antikörper                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                         |
| Immunogen                  | Synthetic peptide around Arg400 of human ENO2 / Enolase 2                 |
| Conjugation                | Unconjugated                                                              |
| Clonality                  | Polyclonal                                                                |
| NCBI                       | <a href="#">2026</a>                                                      |
| Purity                     | Immunoaffinity purified                                                   |
| Form                       | PBS, pH 7.2, 0.05% Sodium Azide                                           |
| Application Notes          | IF, IHC, IHC-P, WB                                                        |
