| Product Description        | Griffonia simplicifolia GS I Lectin antibody LS-C182645 is an unconjugated goat polyclonal antibody to griffonia simplicifolia Griffonia simplicifolia GS I Lectin. Validated for ELISA.... |
| Clonality                  | Polyclonal                                                                                                                                                                                  |
| Buffer                     | Lyophilized from 10 mM phosphate, pH 7.8, 0.15 M sodium chloride, 0.08% sodium azide, sucrose                                                                                               |
| Purity                     | Affinity purified                                                                                                                                                                           |
| Form                       | Lyophilized from 10 mM phosphate, pH 7.8, 0.15 M sodium chloride, 0.08% sodium azide, sucrose                                                                                               |
