| Biozol Catalog Number      | LS-C186065-100                                                                                                                                 |
| Supplier Catalog Number    | LS-C186065-100                                                                                                                                 |
| Alternative Catalog Number | LS-C186065-100                                                                                                                                 |
| Manufacturer               | LifeSpan Biosciences                                                                                                                           |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | ICC, IHC, IHC-P, WB                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                          |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human ZNF259. The exact sequence is proprietary.                       |
| Conjugation                | Unconjugated                                                                                                                                   |
| Product Description        | ZNF259 antibody LS-C186065 is an unconjugated rabbit polyclonal antibody to human ZNF259 (ZPR1) (aa159-459). Validated for ICC, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                                     |
| Concentration              | 0.96 mg/ml                                                                                                                                     |
| NCBI                       | <a href="#">8882</a>                                                                                                                           |

|                    |                                                                                                                           |
|--------------------|---------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                           |
| Purity             | Immunoaffinity purified                                                                                                   |
| Form               | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                           |
| Application Dilute | ICC (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                                    |
| Application Notes  | IHC-paraffin: Suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0). |
