| Article Name               | Polyclonal Rabbit anti-Human PADI4 / PAD4 Antibody (aa326-611, IHC, WB) LS-C186338                                                                |
| Biozol Catalog Number      | LS-C186338-100                                                                                                                                    |
| Supplier Catalog Number    | LS-C186338-100                                                                                                                                    |
| Alternative Catalog Number | LS-C186338-100                                                                                                                                    |
| Manufacturer               | LifeSpan Biosciences                                                                                                                              |
| Host                       | Rabbit                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                        |
| Application                | ChIP, ICC, IHC, IHC-P, WB                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                             |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human PAD4. The exact sequence is proprietary.                            |
| Conjugation                | Unconjugated                                                                                                                                      |
| Product Description        | PAD4 antibody LS-C186338 is an unconjugated rabbit polyclonal antibody to human PAD4 (PADI4) (aa326-611). Validated for ChIP, ICC, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                                        |
| Concentration              | 0.44 mg/ml                                                                                                                                        |
| NCBI                       | <a href="#">23569</a>                                                                                                                             |

|                    |                                                                                                                           |
|--------------------|---------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol, 1% BSA                                                                |
| Purity             | Immunoaffinity purified                                                                                                   |
| Form               | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol, 1% BSA                                                                |
| Application Dilute | ChIP, ICC (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                              |
| Application Notes  | IHC-paraffin: Suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0). |
