## Product Datasheet

**EGFR Antibody (phospho-Thr693) LS-C198907, Unconjugated, Rabbit,  
Polyclonal  
LS-C198907-100**

|                            |                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------|
| Article Name               | EGFR Antibody (phospho-Thr693) LS-C198907, Unconjugated, Rabbit, Polyclonal                              |
| Biozol Catalog Number      | LS-C198907-100                                                                                           |
| Supplier Catalog Number    | LS-C198907-100                                                                                           |
| Alternative Catalog Number | LS-C198907-100                                                                                           |
| Manufacturer               | LifeSpan Biosciences                                                                                     |
| Host                       | Rabbit                                                                                                   |
| Category                   | Antikörper                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                        |
| Immunogen                  | Synthetic peptide derived from human EGFR around the phosphorylation site of Thr693. (AA Range: 661-710) |
| Conjugation                | Unconjugated                                                                                             |
| Clonality                  | Polyclonal                                                                                               |
| Concentration              | 1 mg/ml                                                                                                  |
| NCBI                       | <a href="#">1956</a>                                                                                     |
| Purity                     | Immunoaffinity purified                                                                                  |
| Form                       | PBS, pH 7.4, 150 mM NaCl, 0.02% Sodium Azide, 50% Glycerol                                               |
| Application Notes          | ICC, IF (1:100 - 1:500), IHC, IHC-P (1:50 - 1:100), Peptide-ELISA (1:40000), WB (1:500 - 1:1000)         |
