| Manufacturer               | LifeSpan Biosciences                                                                                                            |
| Host                       | Rabbit                                                                                                                          |
| Category                   | Antikörper                                                                                                                      |
| Application                | ELISA, IHC, WB                                                                                                                  |
| Species Reactivity         | Human                                                                                                                           |
| Immunogen                  | Recombinant human U1 small nuclear ribonucleoprotein A protein.                                                                 |
| Conjugation                | Unconjugated                                                                                                                    |
| Product Description        | U1A antibody LS-C211014 is an unconjugated rabbit polyclonal antibody to human U1A (SNRPA). Validated for ELISA, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                      |
| NCBI                       | <a href="#">6626</a>                                                                                                            |
| Buffer                     | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                   |
| Purity                     | Caprylic acid and ammonium sulfate precipitation                                                                                |
| Form                       | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                   |
| Application Dilute         | ELISA, IHC, WB                                                                                                                  |

|                   |                |
