| Host                       | Rat                                                                                                            |
| Category                   | Antikörper                                                                                                     |
| Application                | FC                                                                                                             |
| Species Reactivity         | Mouse                                                                                                          |
| Immunogen                  | Mouse CD200-rat CD4 fusion protein.                                                                            |
| Conjugation                | Biotin                                                                                                         |
| Product Description        | CD200 antibody LS-C22000 is a biotin-conjugated rat monoclonal antibody to mouse CD200. Validated for Flow.... |
| Clonality                  | Monoclonal                                                                                                     |
| Isotype                    | IgG2a                                                                                                          |
| NCBI                       | <a href="#">4345</a>                                                                                           |
| Buffer                     | PBS, pH 7.2, 0.09% Sodium Azide, 1% BSA                                                                        |
| Purity                     | Protein G purified                                                                                             |
| Form                       | PBS, pH 7.2, 0.09% Sodium Azide, 1% BSA                                                                        |

|                    |                                                                                                                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Flo                                                                                                                                                                                                              |
| Application Notes  | Suitable for use in Flow Cytometry. Flow Cytometry: Use 10 ul to label 1E6 cells in 100ul. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
