| Product Description        | NUP160 antibody LS-C264883 is a PE-conjugated rabbit polyclonal antibody to mouse NUP160 (aa428-455). Validated for ELISA, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                                |
| NCBI                       | <a href="#">23279</a>                                                                                                                     |
| Buffer                     | PBS, No preservatives added                                                                                                               |
| Purity                     | Affinity purified                                                                                                                         |
| Form                       | PBS, No preservatives added                                                                                                               |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA, IHC, WB                                                                                                        |
| Application Notes  | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
