| Conjugation                | Biotin                                                                                                                                    |
| Product Description        | PAK2 antibody LS-C280520 is a biotin-conjugated rabbit polyclonal antibody to human PAK2 (aa192-222). Validated for ELISA, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                                |
| NCBI                       | <a href="#">5062</a>                                                                                                                      |
| Buffer                     | PBS, pH 7.2, 0.09% Sodium Azide                                                                                                           |
| Purity                     | Affinity purified                                                                                                                         |
| Form                       | PBS, pH 7.2, 0.09% Sodium Azide                                                                                                           |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA, IHC, WB                                                                                                        |
| Application Notes  | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
