| Host                       | Rabbit                                                                                                                                 |
| Category                   | Antikörper                                                                                                                             |
| Application                | WB                                                                                                                                     |
| Species Reactivity         | Human                                                                                                                                  |
| Immunogen                  | Recombinant PVRL3 (Thr171-Ile377) expressed in E. coli.                                                                                |
| Conjugation                | Unconjugated                                                                                                                           |
| Product Description        | Nectin-3 antibody LS-C295991 is an unconjugated rabbit polyclonal antibody to human Nectin-3 (PVRL3) (aa171-377). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                             |
| Concentration              | 0.5 mg/ml                                                                                                                              |
| NCBI                       | <a href="#">25945</a>                                                                                                                  |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                          |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB (1:100 - 1:400)                                                                     |
| Application Notes  | ELISA 1:100-1:5000, ICC 1:50-500, WB 1:50-400,                                         |
