| Category                   | Antikörper                                                                                                                                        |
| Application                | ELISA, WB                                                                                                                                         |
| Species Reactivity         | Virus                                                                                                                                             |
| Immunogen                  | Recombinant Influenza A H7N9 (A/Anhui/1/2013) HA protein                                                                                          |
| Conjugation                | Unconjugated                                                                                                                                      |
| Product Description        | HA antibody LS-C818387 is an unconjugated rabbit polyclonal antibody to influenza a virus HA (H7N9 Hemagglutinin). Validated for ELISA and WB.... |
| Clonality                  | Polyclonal                                                                                                                                        |
| Buffer                     | 0.2 µm filtered solution in PBS                                                                                                                   |
| Purity                     | Protein A affinity chromatography                                                                                                                 |
| Form                       | 0.2 µm filtered solution in PBS                                                                                                                   |

|                    |                                        |
|--------------------|----------------------------------------|
| Application Dilute | ELISA, WB (1:10000 - 1:50000)          |
| Application Notes  | Applications should be user optimized. |
