| Category                   | Antikörper                                                                                                                                                            |
| Application                | WB                                                                                                                                                                    |
| Species Reactivity         | Human, Porcine                                                                                                                                                        |
| Immunogen                  | Recombinant TACR2 (Val92-Leu290) expressed in E. coli.                                                                                                                |
| Conjugation                | PE                                                                                                                                                                    |
| Product Description        | NK2R antibody LS-C721919 is a PE-conjugated rabbit polyclonal antibody to NK2R (TACR2) (aa92-290) from human. It is reactive with human and pig. Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                                            |
| Concentration              | 0.1 mg/ml                                                                                                                                                             |
| NCBI                       | <a href="#">6865</a>                                                                                                                                                  |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                                         |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
