| Manufacturer               | LifeSpan Biosciences                                                                                                                        |
| Host                       | Guinea pig                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                  |
| Application                | WB                                                                                                                                          |
| Species Reactivity         | Rabbit                                                                                                                                      |
| Immunogen                  | Recombinant PKCb1 (Phe342-Phe600) expressed in E. coli.                                                                                     |
| Conjugation                | PE                                                                                                                                          |
| Product Description        | PKC-Beta antibody LS-C722977 is a PE-conjugated guinea pig polyclonal antibody to rabbit PKC-Beta (PRKCB) (aa342-600). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                  |
| NCBI                       | <a href="#">5579</a>                                                                                                                        |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                               |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
