| Species Reactivity         | Human, Mouse                                                                                                                                                             |
| Immunogen                  | Recombinant MYB (Thr305-Gln558) expressed in E. coli.                                                                                                                    |
| Conjugation                | PE                                                                                                                                                                       |
| Product Description        | C-Myb antibody LS-C722992 is a PE-conjugated rabbit polyclonal antibody to c-Myb (MYB) (aa305-558) from human. It is reactive with human and mouse. Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                                               |
| Concentration              | 0.1 mg/ml                                                                                                                                                                |
| NCBI                       | <a href="#">4602</a>                                                                                                                                                     |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                                            |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
