| Manufacturer               | LifeSpan Biosciences                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                            |
| Application                | ELISA, WB                                                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                     |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from the Internal region of human ZFP91. (AA Range: 401-450)                                           |
| Conjugation                | Unconjugated                                                                                                                                                          |
| Product Description        | ZFP91 antibody LS-C743317 is an unconjugated rabbit polyclonal antibody to ZFP91 from human. It is reactive with human, mouse and rat. Validated for ELISA and WB.... |
| Clonality                  | Polyclonal                                                                                                                                                            |
| NCBI                       | <a href="#">80829</a>                                                                                                                                                 |
| Buffer                     | PBS (without Mg <sup>2+</sup> , Ca <sup>2+</sup> ), pH 7.4, 150 mM NaCl, 0.02% Sodium Azide, 50% Glycerol                                                             |
| Purity                     | Affinity chromatography                                                                                                                                               |

|                    |                                                                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | PBS (without Mg2+, Ca2+), pH 7.4, 150 mM NaCl, 0.02% Sodium Azide, 50% Glycerol                                                           |
| Application Dilute | ELISA (1:10000), WB (1:500 - 1:2000)                                                                                                      |
| Application Notes  | The antiserum was produced against synthesized peptide derived from the Internal region of human ZFP91. Western Blot: Predicted MW 59 kDa |
