| Manufacturer               | LifeSpan Biosciences                                                                                                                                                                                           |
| Host                       | Mouse                                                                                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                                                                                     |
| Application                | IF, IHC, WB                                                                                                                                                                                                    |
| Species Reactivity         | Human, Monkey                                                                                                                                                                                                  |
| Immunogen                  | Human recombinant protein fragment corresponding to amino acids 69-372 of human CK18 (NP_000215) produced in E.coli.                                                                                           |
| Conjugation                | Unconjugated                                                                                                                                                                                                   |
| Product Description        | Cytokeratin 18 antibody LS-C784048 is an unconjugated mouse monoclonal antibody to Cytokeratin 18 (KRT18 / CK18) (aa69-372) from human. It is reactive with human and monkey. Validated for IF, IHC and WB.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                     |
| Clone Designation          | [OTI1E1]                                                                                                                                                                                                       |

|                    |                                             |
|--------------------|---------------------------------------------|
| Isotype            | IgG1                                        |
| NCBI               | <a href="#">3875</a>                        |
| Buffer             | PBS, pH 7.3, 8% Trehalose                   |
| Purity             | Affinity chromatography                     |
| Form               | PBS, pH 7.3, 8% Trehalose                   |
| Application Dilute | IF (1:100), IHC (1:50), WB (1:500 - 1:1000) |
| Application Notes  | Applications should be user optimized.      |
