| Species Reactivity         | Human, Mouse                                                                                                                                                                         |
| Immunogen                  | Recombinant ARO (Leu196-Val373) expressed in E. coli.                                                                                                                                |
| Conjugation                | HRP                                                                                                                                                                                  |
| Product Description        | Aromatase antibody LS-C711349 is an HRP-conjugated rabbit polyclonal antibody to Aromatase (CYP19) (aa196-373) from human. It is reactive with human and mouse. Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                                                           |
| NCBI                       | <a href="#">1588</a>                                                                                                                                                                 |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                        |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
