| Category                   | Antikörper                                                                                                                |
| Application                | WB                                                                                                                        |
| Species Reactivity         | Rat                                                                                                                       |
| Immunogen                  | Recombinant ERb (Met46-Gln530) expressed in E.coli.                                                                       |
| Conjugation                | Biotin                                                                                                                    |
| Product Description        | ER Beta antibody LS-C684500 is a biotin-conjugated rabbit polyclonal antibody to rat ER Beta (ESR2). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                |
| Concentration              | 0.5 mg/ml                                                                                                                 |
| NCBI                       | <a href="#">2100</a>                                                                                                      |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                             |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
