| Manufacturer               | LifeSpan Biosciences                                                                                                                          |
| Host                       | Rabbit                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                    |
| Application                | WB                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                         |
| Immunogen                  | Recombinant Iga (His36-Gly219) expressed in E. coli.                                                                                          |
| Conjugation                | Biotin                                                                                                                                        |
| Product Description        | CD79 Alpha antibody LS-C685816 is a biotin-conjugated rabbit polyclonal antibody to human CD79 Alpha (CD79A) (aa36-219). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                     |
| NCBI                       | <a href="#">973</a>                                                                                                                           |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                 |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
